IRRR INTEGRATED INDEX 1992

This index to the 1992 issues of Industrial Relations Review and Report (numbers 503–526) is in three parts: subjects; employing organisations; and cases, with the latter subdivided into normal and reverse citation listings. The index brings together references to the five constituent bulletins of IRRR.

Each entry gives the bulletin name in abbreviated format, its issue number, pagination, and item type. For example:

ABSENCE
Alcohol abuse and ET 503.5–6 N
refers the reader to Employment Trends, issue 503, pages 5–6, where a news item on this topic can be found.

Key to abbreviations
Bulletins: EDB*: Employee Development Bulletin; ET: IRS Employment Trends; HSIB*: Health and Safety Information Bulletin; IRLB: Industrial Relations Law Bulletin (formerly Industrial Relations Legal Information Bulletin); and PABB: Pay and Benefits Bulletin (* these two titles appear in alternate issues of IRRR).
Item types: C: HSIB and IRLB casenotes; D: PABB datafile statistics; F: features; N: news items; P: PABB pay reports.
